**East Street, Coggeshall**

To introduce Resident Permit Holders Only parking bays within the currently unrestricted part of the carriageway between numbers 50 and 63 East Street on both North and South kerbs of the highway.

An increase in the use of vehicles is having a detrimental affect on residents with visitors to the area and users of the local supermarket parking within the unrestricted area of East Street to the West of the recreation ground.

This area of Coggeshall consists of old street layouts that cannot accommodate vehicles passing in both directions in some areas. Many houses have no or insufficient off-street parking to accommodate residents' vehicles.

Restrictions within the area introduced to allow vehicles to pass during daytime hours reduce the availability of on-street parking spaces for residents.

It is proposed that the unrestricted wider part of East Street (West of the recreation ground) is reserved for Resident permit holders at all times. This will provide approximately 34 spaces reserved for permit holders.

- To avoid danger to persons or other traffic using the road or any other road or to prevent the likelihood of any such danger arising;
- To facilitate the passage on the road or any other road of any class of traffic (including pedestrians);
- To preserve or improve the amenities of the area through which the road runs; or
- To prevent the use of the road by vehicular traffic of a kind which, or its use by vehicular traffic in a manner which, is unsuitable having regard to the existing character of the road or adjoining property;
- Improve quality of life for residents of the area.
